

2022-2023 Board of Education Goals

1. *Continue to provide financial support for academic intervention programs for students after the Federal Grant expires (September 2024).*
2. *Explore the implementation of a Unified Sports Program for the 2023-2024 school year.*
3. *Explore the creation of a full-time Athletic Trainer for the 2023-2024 school year (currently a stipend position with limited hours).*
4. *Continue to provide financial support for professional development opportunities for faculty/staff/administration in the areas of instruction, assessment, data analysis, and mental wellness.*
5. *Support the implementation of American Sign Language II for the 2023-2024 school year.*
