Electricity Supply Agreement – Fixed Price Solutions

CUSTOMER DISCLOSURE STATEMENT\*

Length of the agreement and end date:	Your agreement with us becomes binding once signed by both of us. Subject to successful enrollment of your Account(s), we will supply each Account with electricity starting on or about the date set forth on the Account Schedule below under "Start Date", through on or about the date set forth on the Account Schedule below under "End Date", unless extended on a holdover basis as described in this Agreement. We will use commercially reasonable efforts to begin service to each Account on the actual meter read date on or about the Start Date. However, if we are unable to timely enroll an Account, the Start Date will commence on the next regularly scheduled UDC meter read cycle date following successful enrollment.																		
Process customer may use to rescind the agreement without penalty.	As a commercial or industrial customer (rather than a residential customer), once you have signed a valid and binding agreement with us, you have no right to rescind our agreement without penalty.																		
Amount of early termination fee and method of calculation:	If you terminate our contract prior to the End Date as stated above other than due to our default as specified in the agreement, you may be liable for an early termination payment calculated as the difference between (1) the prices below multiplied by the remaining anticipated usage of your account(s) and (2) the amount we would be able to resell such related services. This calculation will also apply to any subsequent Retail Trade Transactions you enter into to fix the price for a portion of your usage or for green renewable energy certificates. You will also be liable for all past due amounts as well as any costs incurred by us in connection with collecting any such amounts.																		
Amount of late payment and method of calculation:	If you fail to pay within twenty (20) days of the invoice date, you are liable for late payment interest, which will accrue daily on outstanding amounts from the due date until the bill is paid in full at a rate of 1.50% per month or the highest rate permitted by law (whichever is less).																		
Provisions for renewal of the agreement:	At the End Date, if for any reason you fail to renew this Agreement and/or if any Account(s) remain designated by the UDC as being served by us, we may continue to serve your Account(s) on a month-to-month holdover basis. In this case, we will charge you the Holdover Rate for the period following the End Date unless we enter into a new agreement or either of us returns your account(s) to UDC service or as being served by another supplier.																		
	The Holdover Rate is your account(s)'s kilowatt-hour usage in each hour (adjusted by the applicable line loss factors) multiplied by the sum of the NYISO locational marginal price plus all costs we incur in serving the account(s) plus our fee (specified in the Agreement as \$.004500/ kWh) plus applicable Taxes. We will use the day ahead locational marginal price for all account(s).																		
Conditions under which savings to the customer are guaranteed:	There are no guaranteed savings for this product.																		
Fixed or Variable, (explanation of how the price is determined):	<p>Your bill is calculated using the fixed prices below and the quantities of use indicated for each price. For each of the items listed as fixed below, this means the item is included in your fixed price. For each of the items listed as passed through below, you will be charged a variable price to cover the costs associated with the item. **"NY CFC Transmission Costs"** means any statewide allocation of costs or charges imposed by the NYISO associated with the development of approved local transmission facilities under the CLCPA and in accordance with the Cost Sharing and Recovery Agreement and Rate Schedule 19 of the NYISO OATT, as approved by FERC pursuant to Docket No. ER22-2154 issued on August 19, 2022 and NY PSC Case 20-E-0197 approved on February 16, 2023, as may be amended or modified from time to time during the term of this TC. For clarification purposes, NY CFC Transmission Costs do not include transmission related charges under the NY TOTS Project Costs, NY Public Policy Transmission Project Costs or Ancillary Services And Other ISO Costs.

**New York Offshore Wind Renewable Energy Credits ("NY OREC Costs"):** Your contract price does not include NY OREC Costs. If this Agreement has an End Date on or after January 1, 2024, such NY OREC Costs associated with serving Your Account(s) are considered Passed Through charges under this Agreement and shall be passed through to You.

**"NY OREC Costs"** means any costs related to the purchase of offshore renewable energy credits ("**ORECs**") from eligible offshore wind generating facilities to comply with the New York Offshore Wind Standard as described in the "Order Establishing Offshore Wind Standard and Framework for Phase 1 Procurement" in DPS Case 18-E-0071, and "Proceeding on Motion of the Commission to Implement a Large-Scale Renewable Program and a Clean Energy Standard." in DPS Case 15-E-0302, as may be amended or modified from time to time.

**New York Power Authority ("NYPA") Economic Development Power Programs:** If You have elected or any time during the term of this Agreement elects to participate in and receive power for Your Account(s) under this Agreement (including but not limited to) the Recharge New York, Replacement Power, Expansion Power, Preservation Power or Temporary Power Assistance programs (collectively, the "**NYPA Economic Development Power Programs**") approved by the NYPA board on March 31, 2020, as may be amended from time to time, then You understands and agrees that any costs or losses associated with (i) adding new programs or implementing a change or modification to NYPA Economic Development Power Programs or (ii) a change or modification to the specific allocation associated with the Account(s) participating in the NYPA Economic Development Power Programs during the term of this Agreement will be Passed Through to You as a Change in Law pursuant to the terms of the Master Agreement.

**New York Tier 4 REC Program Costs:** Your contract price does not include NY Tier 4 REC Program Costs. Such NY Tier 4 REC Program Costs are considered Passed Through charges under this Agreement and shall be passed through to You.

**"New York Tier 4 REC Program Costs"** means any costs related to the purchase of Tier 4 eligible renewable energy certificates ("**Tier 4 REC's**") associated with the expansion of the Clean Energy Standard to include additional compliance requirements in accordance with the "Order Adopting Modifications to the Clean Energy Standard" in DPS Case 15-E-0302 dated October 15, 2020 (as may be proposed or implemented during the term of this Agreement).

**For clarification purposes only:**

**Capacity Cost (Fixed):** You have elected the "**Fixed**" option for "**Capacity Costs**" as noted in the table above. "**Fixed**" means Seller has included Capacity Costs in Your contract price (set forth in the Account Schedule) based on the current Capacity Costs associated with Your Accounts as of the effective date of this Agreement. Your Capacity Costs will not be subject to change during the term of this Agreement except as a result of Change in Law as described in Section 5 below. For avoidance of doubt, except as otherwise agreed to herein, Your Fixed contract price will not be adjusted (either upward or downward) to pass through any changes in Your Capacity Costs based on the UDC's regular adjustments to Your ICAP Tag (kW). "**ICAP Tag (kW)**" means the peak load contribution for the Account(s) measured in kilowatts (kW) as determined by the UDC and reported to the applicable ISO.

**Retail Trade Transactions.** At any time during the term of this Agreement, you may request the purchase of renewable energy certificates in an amount equal to a prescribed percentage of your load volume by entering into one or more Retail Trade Transactions ("RTTs") between us. If we both agree to the pricing and terms of the renewable energy certificates purchase, a separate RTT Confirmation signed by both of us will document each such purchase and be incorporated herein.

**Term.** This Agreement will become effective and binding after you have signed this Agreement and we have counter-signed. Subject to successful enrollment of your Account(s), this Agreement shall commence on or about the date set forth under "Start Date", and end on or about the date set forth under "End Date", unless extended on a holdover basis as described in this Agreement. The actual Start Date is dependent on the UDC successfully enrolling the Account(s) and furnishing us with all necessary information regarding the Account(s) meter read cycle and meter read date(s). The dates set forth in the Account Schedule below reflect UDC information available at that time or as otherwise estimated by us. The actual meter read dates may occur on or about the dates set forth herein. We will use commercially reasonable efforts to begin service to each Account(s) on the actual meter read date on or about the Start Date set forth herein. If we are unable to timely enroll an Account, the Start Date will commence on the next regularly scheduled UDC meter read cycle date following successful enrollment. The End Date will remain the same unless extended for a holdover term. We shall not be liable for any failure to enroll or drop an

Account by the Start and End Date due to circumstances beyond our control. We will not be responsible for any gaps in service that may occur between the termination of your service from a prior supplier and the commencement of supply from us.

Nothing in this Agreement shall be deemed to require or otherwise obligate us to offer to extend the term of this Agreement. If following termination or expiration of this Agreement (whether in whole or in part), for any reason, some or all of the Accounts remain designated by the UDC as being supplied by us, we may continue to serve such Account(s) on a month-to-month holdover basis. During such holdover term, we will calculate your invoice as follows: (Each Account's metered usage, as adjusted by the applicable line loss factor) times (the applicable ISO-published Day Ahead Locational Based Marginal Price ("LMP") + \$.004500/kWh) + (a pass through of all costs and charges incurred for the retail delivery of energy to you) + Taxes. This Agreement will continue to govern the service of such Accounts during such holdover term. Either party may terminate the holdover term at any time within its discretion at which time we will drop each Account as of the next possible meter read date to the then applicable tariff service, whether default service or otherwise.

**Your Invoice.** Your invoice will contain all charges applicable to your electricity usage, including Taxes (which are passed through to you). You will receive one invoice from the UDC for UDC charges and one invoice from us for all other charges ("Dual Billing") unless we agree otherwise, or your Account(s) eligibility changes. All amounts charged are due in full within twenty (20) days of the invoice date, and we reserve the right to adjust amounts previously invoiced based upon supplemental or additional data we may receive from your UDC. Your invoices will be based on actual data provided by the UDC, provided that if we do not receive actual data in a timely manner, we will make a good faith estimate using your historical usage data and other information. Once we receive actual data we will reconcile the estimated charges and adjust them as needed in subsequent invoices. If you fail to make payment by the due date, interest will accrue daily on outstanding amounts from the due date until the bill is paid in full at a rate of 1.50% per month, or the highest rate permitted by law, whichever is less. All invoices (including adjustments to those invoices) are conclusively presumed final and accurate unless such invoices are objected to by either you or us in writing, including adequate explanation and/or documentation, within 24 months after the date such invoice was rendered, provided however, we may rebill based on post-period audits or adjustments made by the ISO, UDC, or other governmental authority, commission or agency with jurisdiction in the state in which the accounts are located.

**Certain Warranties.** You warrant and represent that for Account(s) located in the State of New York that the electricity supplied under this Agreement is not for use at a residence. You acknowledge and agree that title passes from us to you at the ISO/UDC interconnect.

**Notices.** All notices will be in writing and delivered by hand, certified mail, return receipt requested, or by first class mail, or by express carrier to our respective business addresses. Our business address is 1001 Louisiana St. Constellation Suite 2300, Houston, TX 77002, Attn: Contracts Administration. Either of us can change our address by notice to the other pursuant to this paragraph.

We reserve the right to cancel this Agreement in the event you rescind the authorization.

**Consumer Protections.** The New York State Department of Public Service (DPS) will not resolve disputes or complaints associated with the services provided under this Agreement. However, the DPS will monitor inquiries and contacts from non-residential customers regarding energy service companies, and an excessive number of confirmed complaints may result in an energy service company no longer being eligible to supply electricity or natural gas in New York State. The DPS Office of Consumer Services can be reached: by telephone toll free at 1-888-697-7728; in writing at: New York State Public Service Commission, Office of Consumer Services, Three Empire State Plaza, Albany, New York 12223; or by visiting [www.dps.state.ny.us](http://www.dps.state.ny.us).

We reserve the right to require that you make a cash deposit or provide other security acceptable to us if your financial obligations to us increase under this Agreement, or if, in our opinion, your credit, payment history, or ability to pay your bills as they come due becomes a concern. You will deliver any required cash deposit or other required security (or any increase therein) within three (3) business days of our request.

**3. Default under this Agreement.** You will be in default under this Agreement if you fail to: pay your bills on time and in full; provide cash deposits or other security as required by Section 2 above; or perform all material obligations under this Agreement and you do not cure such default within 5 days of written notice from us; or if you declare or file for bankruptcy or otherwise become insolvent or unable to pay your debts as they come due. - all amounts you owe us for electricity provided to you;
- the positive difference, if any, between (A) the price you would have paid us under this Agreement had it not been terminated early (including our margin), less the then-current market price of electricity and services under terms substantially similar to the terms of this Agreement, as reasonably calculated by us based on information available to us internally or supplied by one or more third parties; multiplied by (B) the estimated undelivered volume of electricity you would consume through the end of the term, as reasonably calculated by us; and

"Law" means any law, rule, regulation, ordinance, statute, judicial decision, administrative order, ISO business practices or protocol, UDC or ISO tariff, rule of any commission or agency with jurisdiction in the state in which the Accounts are located. Further, if such an event prevents or makes it impossible or impracticable for the claiming party to carry out any obligation under this Agreement due to the events beyond either of our reasonable control for more than 30 days, then whichever one of us whose performance was not prevented by such events shall have the right to terminate this Agreement without penalty upon 30 days' written notice to the other.

**7. Each party's total liability related to this Agreement, whether arising under breach of contract, tort, strict liability or otherwise, will be limited to direct, actual damages. Direct, actual damages payable to us will reflect the early termination payment calculation in Section 4. Each party agrees to use

commercially reasonable efforts to mitigate damages it may incur. NO WARRANTY, DUTY, OR REMEDY, WHETHER EXPRESSED, IMPLIED OR STATUTORY, ON OUR PART IS GIVEN OR INTENDED TO ARISE OUT OF THIS AGREEMENT, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

IF THE MATTER AT ISSUE INVOLVES ACCOUNTS OR MATTERS IN MORE THAN ONE STATE, THE GOVERNING JURISDICTION AND VENUE SHALL BE DEEMED TO BE NEW YORK. TO THE EXTENT ALLOWED BY APPLICABLE LAW, WE ALSO BOTH AGREE IRREVOCABLY AND UNCONDITIONALLY TO WAIVE ANY RIGHT TO A TRIAL BY JURY OR TO INITIATE OR BECOME A PARTY TO ANY CLASS ACTION CLAIMS WITH RESPECT TO ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

**10. Relationship of Parties; Representations and Warranties.** We are an independent contractor, and nothing in this Agreement establishes a joint venture, fiduciary relationship, partnership or other joint undertaking. We are not acting as your consultant or advisor, and you will not rely on us in evaluating the advantages or disadvantages of any specific product or service, predictions about future energy prices, or any other matter. Your decision to enter into this Agreement and any other decisions or actions you may take is and will be based solely upon your own analysis (or that of your advisors) and not on information or statements from us. You represent (i) you are duly organized and in good standing under the Laws of the jurisdiction of your formation; (ii) you are authorized and qualified to do business in the jurisdiction necessary to perform under this Agreement; (iii) execution, delivery and performance of this Agreement are duly authorized and do not violate any of your governing documents or contracts or any applicable Law; and (iv) if you are a Governmental Entity, you further warrant (a) you have complied with all applicable bidding and procurement laws in awarding this Agreement, (b) you will not claim immunity on the grounds of sovereignty or similar grounds from enforcement of this Agreement; and (c) you will obtain all necessary budgetary approvals, appropriations and funding for all of your obligations under this Agreement, the failure of which shall not be an excuse for Governmental Entity's performance or failure to perform hereunder and upon request will provide proof of such authority. "Governmental Entity" means a municipality, county, governmental board or department, commission, agency, bureau, administrative body, joint action agency, court or other similar political subdivision (including a public school district or special purpose district or authority), or public entity or instrumentality of the United States or one or more states.

**11. Confidentiality.** Consistent with applicable regulatory requirements, we will hold in confidence all information obtained by us from you related to the provision of services under this Agreement and which concern your energy characteristics and use patterns, except that we may, consistent with applicable law and regulation, disclose such information to (a) our affiliates

and such affiliates' employees, agents, advisors, and independent contractors, (b) third parties representing you in this purchase of electricity, and (c) other third parties, if the information (i) is presented in aggregate and (ii) cannot be reasonably expected to identify you. Except as otherwise required by law, you will agree to keep confidential the terms of our Agreement, including price. Therefore, Seller is authorized to send unencrypted email messages to Customer and/or Customer's authorized agent or representative which email may include a copy of this Agreement or other Account(s) related information necessary for Seller to perform its obligations under this Agreement.

**12. Miscellaneous Provisions.** If in any circumstance we do not provide notice of, or object to, any default on your part, such situation will not constitute a waiver of any future default of any kind. If any of this Agreement is held legally invalid, the remainder will not be affected and will be valid and enforced to the fullest extent permitted by law and equity, and there will be deemed substituted for the invalid provisions such provisions as will most nearly carry out our mutual intent as expressed in this Agreement. You may not assign or otherwise transfer any of your rights or obligations under this Agreement without our prior written consent. Any such attempted transfer will be void. We may assign our rights and obligations under this Agreement. This Agreement contains the entire agreement between both of us, supersedes any other agreements, discussions or understandings (whether written or oral) regarding the subject matter of this Agreement, and may not be contradicted by any prior or contemporaneous oral or written agreement. A facsimile or e-mailed copy with your signature will be considered an original for all purposes, and you will provide original signed copies upon request. Each party authorizes the other party to affix an ink or digital stamp of its signature to this Agreement, and agrees to be bound by a document executed in such a manner. The parties acknowledge that any document generated by the parties with respect to this Agreement, including this Agreement, may be imaged and stored electronically and such imaged documents may be introduced as evidence in any proceeding as if such were original business records and neither party shall contest their admissibility as evidence in any proceeding. Except as otherwise explicitly provided in this Agreement, no amendment (including in form of a purchase order you send us) to this Agreement will be valid or given any effect unless signed by both of us. Applicable provisions of this Agreement will continue in effect after termination or expiration of this Agreement to the extent necessary, including those for billing adjustments and payments, indemnification, limitations of liability, and dispute resolution. This Agreement is a "forward contract" and we are a "forward contract merchant" under the U.S. Bankruptcy Code, as amended. Further, we are not providing advice regarding "commodity interests", including futures contracts and commodity options or any other matter, which would cause us to be a commodity trading advisor under the U.S. Commodity Exchange Act, as amended.
