Re: Textbook Disposal – June 2024

All textbook disposals must be approved by the Board of Education. Recommendations for textbook disposal are done at the June Board meeting only. If you anticipate having to dispose of textbooks for the 2023-2024 school year, please advise my office no later than May 1, 2024.

All recommendations must include the following information and be submitted to my office via email no later than May 1, 2024. Please use the form listed below to email your textbook disposal list.

After the Board of Education approves the disposal, books must be packaged in sealed and labeled cartons with the title, ISBN # and quantities of each title clearly labeled on the outside of each carton.

If you have any questions about this procedure, feel free to contact me.
