March 15, 2023

Brian Devincenzi, Assistant Superintendent for Support Services Wallkill Central School District Wallkill, NY 12589

Dear Mr. Devincenzi,

Ulster BOCES is pleased to provide you this proposal to purchase fifteen (15) RICOH networked copiers for your district through an Installment Purchase Agreement (IPA). The specifications are based on quoted pricing from RICOH.

Upon installation of the new RICOH network copiers your existing RICOH network copiers will be removed by RICOH. Please note that the existing RICOH device will be billed by BOCES to your district through the installation date of the new RICOH device.

It is my understanding that your district is interested in entering into a 4 year (48 month) IPA with Ulster BOCES for this purchase.

- Based on a \$159,584.28 purchase, your annual payment including interest is estimated to be \$44,431.80 (monthly \$3,702.65) and will be prorated depending on your closing date. The prevailing interest rate is 5.380 % and is subject to change on the date of the closing.
- All meters will be reconciled quarterly by RICOH with a per click fee of \$.005 for B&W and \$.038 for Color. This per click charge includes the maintenance costs for the 48-month term of the IPA. The aforementioned monthly maintenance charge includes parts, service, labor, toner, drums and staples (no paper). Supplies for your district's RICOH devices will be coordinated directly with the Ricoh supply center by our district.

To cover the cost of the estimated charges for one machine, Ulster BOCES will include a \$21,600 annual charge. If this funding is exhausted, your district will be amended for the additional expenses. As a network copier, it is the district's responsibility to ensure the location has an active network drop for each machine.

It is my understanding that you will be the point of contact for delivery, installation, and training and Thomas Hein will be the technical liaison.

This proposal comes through the Educational Technology CoSer: IPA AND Network Printing extension services. As such, Ulster BOCES will inventory, insure and track maintenance on the hardware. To initiate this project and related IPA please provide written authorization (budget amendment form) as well as an approved Wallkill Board Resolution. Please notify Ivette Rodriguez-Acevedo (<a href="mailto:irodriguez-acevedo@ulsterboces.org">irodriguez-acevedo@ulsterboces.org</a>) immediately upon delivery of equipment and provide any packing slips or other documentation of receipt. If you have any questions, please feel free to call me at 845-255-1202 x 1340.

Sincerely,

Cynthia Farrell
