

## Assistive Technology Information

This resource is designed to support students that have access to the assistive technology tools listed in the table below via a district license or on district devices and platforms. Students can access these tools at home by logging into their school Chrome or Office 365 Accounts. For individual questions or support please contact me at the above email address.

Product	Platform	Features	Resource Links
<a href="#">Snap&amp;Read</a>	Chrome Extension	<ul style="list-style-type: none"> <li><input type="checkbox"/> Text to speech</li> <li><input type="checkbox"/> PDF reader/writer</li> <li><input type="checkbox"/> Outline/note taking tool</li> <li><input type="checkbox"/> Translation</li> <li><input type="checkbox"/> Simplify text/text leveling</li> <li><input type="checkbox"/> Remove distractions</li> <li><input type="checkbox"/> Picture dictionary</li> <li><input type="checkbox"/> Color overlay/reading guide</li> </ul>	<ul style="list-style-type: none"> <li>→ <a href="#">Overview</a></li> <li>→ <a href="#">Resources &amp; Tutorials</a></li> <li>→ <a href="#">Quick Reference Card</a></li> </ul>
