

Family Educational Rights and Privacy Act (FERPA)

Notice for Directory Information

The Family Educational Rights and Privacy Act (FERPA), a Federal Law, requires that the Wallkill Central School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, your child's school may disclose appropriately designated "directory information" without written consent, unless you have advised your child's school to the contrary in accordance with your child's school procedures. The primary purpose of directory information is to allow your child's school to include this type of information from your child's education records in certain school publications. Examples include:

- **A playbill, showing your student's role in a drama production;**
- **The annual yearbook;**
- **Honor roll or other recognition lists;**
- **Graduation programs; and**
- **Sports activity sheets, such as for wrestling, showing weight and height of team members**

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two Federal laws* require Local Educational Agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the school that they do not want their student's information disclosed without their prior written consent.

If you do not want your child's school to disclose directory information from your child's education records without your prior written consent, you must notify your child's school in writing. The Wallkill Central School District has designated the following information as directory information:

- **Grade level**
- **Dates of attendance**
- **Degrees, honors, and awards received**
- **Major field of study**
- **Participation in officially recognized activities and sports**
- **Student's Name**
- **The most recent educational agency or institution attended**
- **Weight and height of members of athletic teams**

*These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107), the legislation that provides funding for the Nation's armed forces.
