INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURES
RELATED TO INTERNAL CONTROLS

To the Board of Education of the
Wallkill Central School District
19 Main Street
PO Box 310
Wallkill, New York 12589

We have performed the procedures enumerated below on the internal controls of the Wallkill Central School District Board of Education for the year ended June 30, 2021. The District's management is responsible for the internal controls.

The Board of Education of the Wallkill Central School District has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the update of the risk assessment. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

PROCEDURE

We interviewed the Assistant Superintendent for Support Services, District Treasurer, Business Office staff and various other employees. Our interviews were to help determine whether or not the District had sufficient internal controls in the accounting and reporting system.

As part of our engagement, we reviewed the District's policies and procedures and then tested procedures related to procurement, cash receipts and disbursements, payroll, wire transfers, employee reimbursements and credit card disbursements. We then assessed risk accordingly.

The following are our findings from our discussions with the various personnel and procedures performed.

CURRENT YEAR FINDINGS

We did not have current year findings.

RISK ASSESSMENT

See Attachment

We would like to thank all of the staff that assisted us during our engagement.

We were engaged by the Board of Education of the Wallkill Central School to perform this agreed upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the internal controls. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Board of Education of the Wallkill Central School District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the District and is not intended to be and should not be used by anyone other than those specified parties.

Risk Assessment

Organizational Area	School Process/Function	Inherent Risk	Control Risk	Materiality Risk	Overall Risk	Reason for Risk Assessment
FACILITIES, EQUIPMENT, AND INVENTORY CONTROLS	Facilities Maintenance	Moderate	Low	Low	Low	The District has controls in place to help limit risk.
	Facilities Construction	Moderate	Low	Low	Low	The District has capital projects ongoing.
	Inventory Controls	Moderate	Low	Low	Low	The District has set up controls over inventory. The fuel tank is locked within a fenced area. Supplies are locked in each building to prevent theft.
	Student Transportation	Moderate	Low	Low	Low	The District has outsourced the student transportation and has a contract with the vendor. The District works closely with the vendor to ensure the safety of the children and tries to use the most efficient routes.
STUDENT SERVICES	Food Service	Moderate	Moderate	Low	Moderate	The District has outsourced the food service. The District works closely with the vendor to verify the vendor is following proper protocol.
	Extracurricular Activity Fund	High	High	Low	High	The Extracurricular Activities Fund is run by students and advisors that do not always have financial backgrounds. Traditionally the majority of the receipts collected are cash. Although it is usually a small dollar amount of funds running through the accounts, the impact on the community if there were to be misappropriations or theft would be great. The District has made many improvements to the procedures of the Extracurricular Activities Fund.
	Attendance	Low	Low	Low	Low	Attendance is very important in a District. The District has procedures in place to help ensure that the attendance is properly accounted.
	Reliability of Student Performance Data	Low	Low	Low	Low	The District has procedures in place to account for this area.

Risk Assessment

Organizational Area	School Process/Function	Inherent Risk	Control Risk	Materiality Risk	Overall Risk	Reason for Risk Assessment
GOVERNANCE AND PLANNING	Governance and Control Environment	Low	Low	Low	Low	The District has a strong Board and Administration that has set up controls. The Board and Administration strives to set a good example from the top down. The Board is actively involved with the planning. The Administration has not had changes during the year.
	Strategic Planning		Moderate	Low	Low	The Board and Administration has strategic planning implemented and is continuing to deal with constant threats of decreasing State and Federal Aid. The economy makes it difficult to plan for the long term. The District must try to keep the budget within the constraints of the New York State 2% Real Property Tax Cap Limit. The District is using fund balance to balance the State Aid gap. The District has plans for using the reserves in the future.
	Budget Development and Budget Administration	Low	Low	Moderate	Low	The District continues to work on budgeting. The New York State Districts struggle with budgeting because of the uncertain economy and New York State budget decreases. All Districts have been affected by the COVID 19 pandemic. Some State Aid has been cut and it difficult to determine what future state aid will be cut or delayed. It is difficult to budget due to these uncertainties. The District will need to budget within the 2% property tax cap limit for the next fiscal year.
