

A photograph of a dirt path winding through a dense forest of tall trees with vibrant green foliage. A thin, vertical white line is positioned on the left side of the path, extending from the top of the frame down to the middle. The path leads into the distance, creating a sense of depth.

NYS ELA ASSESSMENT

There are some changes from past years.
Below are a few highlights:

- Day 1 will consist of both Multiple Choice (MC) and 2-point constructed response items
- Day 2 will consist of MC, 2-point constructed response items, and one 4-point extended response item for grades 4-8
- Day 2 will only consist of MC and 2-point constructed response items for Grade 3. Grade 3 will NOT have a 4-point extended response item this year.

PHYSICAL EDUCATION CURRICULUM UPDATE

- In 2018, New York State (NYS) Physical Education Learning Standards Review Committee was developed.
- In 2020, the committee released the revised NYS Physical Education Learning Standards. They also provided an implementation timeline.
 - Phase I: Raise Awareness (Fall 2020 - Fall 2021)
 - Phase II: Build Capacity (Fall 2021- Fall 2023)
 - Phase III: Full Implementation (Fall 2023 – ongoing)

PHYSICAL EDUCATION CURRICULUM UPDATE (CONTINUED):

- Wallkill physical education teachers have been trained on the new standards.
- The physical education teachers reviewed and revised the physical education curriculum maps for K-12.
- The physical education teachers are meeting as a department on May 5, 2023, to discuss the updated curriculum maps.
- The curriculum maps will be implemented in September for the 2023-2024 school year.

VISION FOR THE WALLKILL PHYSICAL EDUCATION DEPARTMENT

- The district's vision for the Physical Education curriculum is aligned to the most recent NY State Learning Standards. Our curriculum promotes physical and mental health wellness as well as a wide variety of lifetime and team activities. It also allows for healthy lifestyle education which exposes students to community and career opportunities.
