May 2023

Dear Parent/ Guardian,

As part of our high school transition program, visits to the Wallkill Senior High School have been scheduled for the following days: May 22nd, May 24th, and May 25th. Students will have the opportunity to participate in a field trip to the High School which will include:

- A presentation with High School Administrators, Guidance Counselors, and support staff
- A small group tour of the building
- Getting their photo taken for their student ID
- The opportunity to observe a class
- The opportunity to meet with current students and have a question-and-answer session

Each student will be assigned a day to visit the High School. On their assigned day, students will ride their regular bus to school and exit at the High School. Students will return to the Middle School at 10:30am by bus and finish the rest of the school day as normal. Students who walk or get dropped off can either get on a bus at the Middle School to ride to the High School or be dropped off directly at the High School.

Students who do not attend on their scheduled day may not be given the opportunity to reschedule to a different day due to time and space limitations.

We ask that permission slips be returned by **Friday, May 12th** to the Guidance Office. If you have any questions, please reach out to Ms. Heeren at kheeren@wallkillcsd.k12.ny.us

Please choose one:
