

### ***Wellness Committee – January 10, 2022***

*The Wellness Committee met on January 10, 2022. Each building discussed the continual emphasis on connecting with students as well as looking for ways to keep students active not only during PE. In the elementary schools they will be organizing a jump rope event in February. The high school SHAC/SADD group will be organizing a blood drive with the New York Blood Center in April. Additionally, each building will be getting a group of students to meet individually with Food Service Director Marilyn DiGregorio to examine potential new menu options that will be implemented next month.*

*The next meeting is scheduled for April 5, 2022, at 3:30 p.m. in room 126 at the High School. If needed, the committee will schedule a meeting prior.*
